

1 June 2007- LoneStar Delivery & Process receives Indirect Air Carrier Certification through the Transportation Security Administration

(Seabrook, TX) – LoneStar Delivery & Process, Houston, Clear Lake and Galveston’s 24 Hour On Demand delivery solution was issued an Indirect Air Carrier certification through the Transportation Security Administration (TSA).

The Indirect Air Carrier Certification allows LoneStar Delivery & Process the ability to provide same day nationwide service to it’s 300+ customers, and expands the companies ability to service more clients with time critical delivery services on a national basis. LoneStar is the only company in the Clear Lake area to hold this certificate.

LoneStar Delivery & Process has set up a special service called “AirShot” by LoneStar. The brand of service provides for special handling of Medical deliveries, Legal documents and small parcels using the commercial airlines. Clients will be able to place orders for this new service both over the phone and online through their website- www.lonestardeliveryonline.com

Users of the service have to comply with guidelines set forth by the TSA, and all parcels will be subject to inspection, but once that is done, LoneStar Delivery & Process can deliver through it’s network of agents to more than 250 cities in the US same day- within Hours

Take a look at what LoneStar Delivery & Process has to offer to your Legal, Medical, Professional or High Tech business. With a variety of services and the training, technology and experience to insure performance, you'll soon see why hundreds of companies in the Houston/Galveston Metro area choose LoneStar time and again to deliver for them.
