

## **LoneStar Delivery & Process earns a Letter of Commendation for their services during the H1N1 Pandemic**

**Houston, July, 2009-** This week, Chris Kurzadkowski and his staff were honored with a Letter of Commendation from the Commissioner of the Texas Department of Health and Human Services for their statewide effort to support the Department during the fight against the H1N1 Virus Pandemic. Working closely with the state agency and supporting efforts combined with the CDC, LoneStar Delivery & Process covered an immediate demand for the delivery of specimens collected for testing from every corner of the state. Specimens were picked up within a 30-90 minute window from areas as far north as Amarillo, as far south as Brownsville, as far west as El Paso, and as far East as Orange, Texas. LoneStar Delivery & Process Spanned the whole state and provided specialized 24 hour on demand courier and messenger services without fail.

The demands for service were very high, and the company operated day and night to provide services during the emergency. Commissioner Lackey Commended Lonestar Delivery & Process, Saying “Your Organization ( Lonestar) demonstrated your commitment to its partnerships and the health of Texans by assisting our department in surging our laboratory services”.

The companies motto □ **"We're Texans Serving Texans □ 24 hours a day"** has more meaning now than ever before, said Kurzadkowski □ “Now the work we do not only serves all of Texas □ but we’re helping save lives” Lonestar Delivery & Process provided in addition, Real □ Time Tracking through their website, <http://www.lonestardeliveryonline.com>

Dear Mr. Kurzadkowski:

Texas recently faced an unprecedented situation with the outbreak of the H1N1 influenza virus. To date, Texas has identified over 2,000 cases of H1N1 flu, although the actual number is likely much higher. This new virus created a dynamic situation and many challenges for our public health response efforts. We needed to quickly increase the capacity and capability of our laboratory to process the large volume of specimens submitted from across the state. Your organization demonstrated its commitment to partnerships and the health of Texans by assisting our department in surging our laboratory resources.

I want to take this opportunity to thank you and your organization for your contributions to the Texas H1N1 influenza response efforts. We appreciate your work and that of LoneStar Delivery & Process to support the State of Texas during this public health emergency.

Thank you for your generous efforts.

Sincerely,
